

Welcome to all to the 2013 soccer season. No great changes are anticipated and it is hoped that all will run smoothly with no problems on or off the field.

As I stated last season, I would truly like to have our meetings begin promptly at 7:30 but that depends entirely on you, the members – if you arrive on time we can begin on time, however, we will not delay the start.

Packets will be distributed before the meeting begins on Sept. 3, the mandatory interpretation meeting; please try to arrive early so that we may begin promptly at 7:30. Once we begin the meeting you will have to wait until the conclusion to pick up your packet.

If you plan to attend the boys' interpretation meeting inform Brad Patterson (ncgsoa@gmail.com) – he will probably be attending that meeting also and he can have your packet available. See our web page (ncgsoa.org) for other organizations' interpretation meetings – sign in with their secretary. **NO INT. MEETING – NO ASSIGNMENTS**

REMEMBER - YOU MUST ATTEND AN INTERPRETATION MEETING AND 2 GENERAL BUSINESS MEETINGS; IF YOU **DO NOT ATTEND** OUR INTERPRETATION/BUSINESS MEETING ON SEPT. 3, YOU MUST ATTEND OUR MEETINGS ON SEPT. 16 AND OCT. 17 TO EARN ATTENDANCE CREDIT TOWARDS YOUR 30 POINT RATING.

If you have any questions/comment/concerns please feel free to contact me, either by phone or e-mail. Fasano516@aol.com – 516 541-3396.

Looking forward to seeing you all on September 3 at Island Trees H. S.
